Our Earth, Our Heart

Upated on :January 30, 2010

Ilustrator: Mohammad. Reza Lavasani

Authro: Asadollah Sha'bani

Encouragement Prize in Noma 2006

Selected Belgrade 2007

This attractively illustrated and inspirational book includes fourteen poems. The themes are naïve and sincere and the poet through making use of his own imagination as well as his own views about life depicts the beauties of nature and realities of daily life matters. These pomes encourage children to see poetry as something lively and entertaining which every body can enjoy.
